EDUCATION

Prospect High School

Weighted GPA: 4.33, UW GPA: 3.93; Enrolled/Completed 8 APs

San Jose, CA

Aug. 2024 – June 2028

EXPERIENCE

Vice President

FIRST Robotics Team 2813

May 2026 – Present

Saratoga, CA

- Drove team to a top 3% global ranking during my tenure, securing 4 Regional Finalist titles and 3 World Champs invitations.
- Led an 80+ member team by coordinating student leads, members, and mentors via weekly planning meetings and timelines
- Orchestrated STEM outreach initiatives incl. FTC SkillUp Workshop, Girls in STEM Day, and FLL + micro:bits camps
- Mobilized members for 430+ outreach hours impacting 5,000+ students and raised \$100K in funding.

Electrical Lead & Subject Matter Expert

FIRST Robotics Team 2813

Oct. 2024 – Present

Saratoga, CA

- Grew electrical subteam from 6 to 25 members, tripling female participation (4 ← 12) through targeted mentorship.
- Oversaw electrical systems including CAN bus wiring, power distribution, and MK4i/MK5N swerve module integration
- Pioneered battery safety standards adopted by 20+ teams nationwide, including a nationally ranked team.
- Collaborated with mechanical and software teams to integrate CAN devices and vision systems, wire ASICs, and implement PathPlanner autonomous routines.

Multidisciplinary Teaching Assistant

Prospect High School

Aug. 2024 – Present

Saratoga, CA

- Selected by faculty as the first multi-serving TA of the class, supporting ~10 students across 4 STEM disciplines.
- Facilitated lab prep, classroom instruction, and individualized tutoring for Biology, Anatomy & Physiology, and Chemistry.
- Tutored 40 MESA students in math and science, breaking down complex concepts into clear, accessible explanations.

Sanskrit Instructor

Desika Stotrapaadam

2019 – Present

Remote

- Delivered 215+ hours of virtual Sanskrit instruction to 40+ international students aged 4–16.
- Designed customized lesson plans simplifying complex phonetics and grammar for non-native speakers.
- Scaled enrollment by 470% (7 to 40 students) and sustained 90% retention via global recitation showcases.

PROJECTS

Desika Stotram Recitation Web App | Web Development, Audio Processing

2026 – Present

- Developing a web application compiling Sanskrit works to teach students through guided recordings and explanations.
- Implementing customizable learning features including clip selection, speed adjustment, real time navigation, repetition settings, and shareable lesson links.

Adaptive Mobility Recliner | Robotics, Electrical Systems

2024

- Designed and wired a powered mobility recliner using CIM motors and a wired controller to provide accessible directional control for individuals with mobility limitations.
- Integrated motor controllers, electrical components, and control systems while applying robotics design principles to create an assistive technology prototype.

ARTS & SERVICE

Founder & President

SOAP @ PHS (Save our Amazing Planet)

Aug. 2023 – Present

San Jose, CA

- Founded an environmental organization focused on sustainability service initiatives, successfully scaling membership by 300% from 10 to 40 students.
- Directed the planning and execution of student-led service projects, coordinating team efforts to achieve the organization's environmental goals.

Classical Dancer

Nrityaarpana Dance Academy

2017 – Present

San Jose, CA

- Performed in 50+ cultural productions, including charitable events at local retirement homes and organization-led fundraisers.

SKILLS

Hardware: CAN BUS, PDU, Pneumatics, WCS + Swerve, Vision, Soldering

Software & Tools: Python, HTML, PathPlanner, CAD (Onshape/SolidWorks)

HONORS & AWARDS

2025 Green Ninja Film Festival Winner

Second Place National Sanskrit Competition (70+ competitors)

Third Place Mythri Dance Competition (2025 & 2026)
